to their best form.

It is not known where the match will be held, but the chances are it will be on neutral ground. When the Englishmen were overall and as that is not available now the only suitable location around New York would be Travers Island, which would be large enough as long as there is no furlong run or low hurdles for the same distance. The annual match between Oxford and Cambridge will take place the last Saturday in the latter the hero of the latter the latter the hero of the latter the hero of the latter the l

Atherton made a high run of 20 and averaged 2 23-46. Brown made a high run of 11 and averaged 1 34-46. Simon Gar-funkle will play George Avery to-night.
